Lee Fox New President Of Southwest Park Group

Plans for installing new officers of the Southwest Park Homeowners Assn. were discussed Monday evening at a meeting of the group's executive board.

New officers include Lee Fox, president; Roger Hogue, vice president; Mrs. Leo Fischer, treasurer; and Mrs. Phillip Ross, secretary. Board members include Eve Bisou, Bob Mason, Bob Short, and Jack Ekberg.

PLANS FOR A tree-planting ceremony at La Romeria Park on Sunday also were under discussion. The affair has been scheduled for 1:30 p.m. Trees were given by the Brownie Troops, Intermediate Scouts, and Mothersingers of the Carl Steele PTA.

Plans to organize a girls softball team to be sponsored by the association were reported, and girls or the area 13 years of age and over are being invited to attend practice sessions at La Romeria Park at 1 p.m. on Saturdays.

DISCONTINUANCE of the teen age parties which had been held for children or the area was announced. Pre-teen parties will continue at the Carl Steele and Flavian schools on the fourth Friday of each month, however.

Lack of interest on the part of parents was cited as the reason for dropping the teen age affairs.

Dr. Conant, Aid To Visit Local School Leaders

Dr. James B. Conant and Dr. E. Alden Dunham will visit Torrance schools this month to confer with Superintendent J. H. Hull, according to a letter he received recently.

Garden Checklist

By California Association of Nurserymen

1. Give Bermuda Grass lawns a stiff raking with a steel rake to get up runners. Then cut close and feed as soon as it starts to "green up"—adding some seed is a good idea, too. If you want to do away with Bermuda Grass, there's a selective weed killer to do the job.
2. Prune wistaria heavily after spring bloom if vines are getting out of hand.
3. Remember fuchsias bloom on new wood, so prune heavily when danger of frost is over if you want to insure a high proportion of new growth on the shrub.
4. Sprout begonia tubers in flats of peat and sand indoors. Set them out after all danger of March frost is past.
5. Prune Acacias after bloom to keep them from growing to unwieldy size. Don't be shy with the shears.
